TESTIMONIALS

"I used to be looked down on because of my appearance, but during my time with SWIM FC, I've felt truly welcomed, valued, and accepted for who I am. It's here that I've learned to embrace myself fully. To anyone struggling, never change how you look, act, or who you are just to fit in. God created each of us to be unique for a reason. Be yourself, love yourself. Thank you, SWIM FC, for changing my life in the most beautiful way. God bless"

LEADERSHIP TRAINING – AUKI & SAMASODU

In July 2025, SWIM Ministry had the privilege of conducting two powerful training courses that left a lasting impact on leaders and youths alike. In Samasodu 29 leaders within the communities were empowered with fresh skills and hope during a two-day Biblical Leadership Training. Later that month, over 100 youths from the Malaita Province gathered at the Zion Worship Centre for an eye-opening training on “The End Time Events”. New Bibles were also gifted to the newly baptized youths, thanks to SWIM Ministry. Equipping leaders and youth to serve and stand strong in faith.

KATOVA TEAM PROJECT- SAMASODU

The ongoing project in Samasodu was once again blessed with the arrival of a 35-member team. The advance team came earlier for logistics and preparations on the 1st of July, and the main team came on the 6th of July. For two weeks, they poured their hearts into serving alongside the Katova Community High School teachers, students and the surrounding community. The team was able to build a new dormitory, upgrade the school’s Wi-Fi, and even assist in teaching the students. Every hammer lifted, every lesson shared, and every smile given reflected the love of Christ in action. It was more than just work – it was ministry. This journey became a living testimony of Gods faithfulness and the selfless love He calls us to show. The seeds sown in Samasodu will continue to bear fruit for His glory in the years to come. The team left on the 20th of July 2025. God is good, All the time, God is good!
